**Minutes from June 6<sup>th</sup> meeting: (Summarized)**

**MINUTES OF REGULAR MONTHLY MEETING – June 6, 2011** - Meeting called to order at 6:30 PM; minutes of May 2<sup>nd</sup> meeting read and approved.

Recognized John Woods, former member, who spoke on upcoming benefit to help him and his wife. Both were working as security guards in Moss Point, when a shooting occurred; both he and his wife were shot several times and she is paralyzed. The benefit will be a poker run on June 25<sup>th</sup> starting at 10 AM and ending at 3 PM; tickets are \$10 and can be purchased at Ocean Springs Bowling Lane. Would love to see some of our old cars there. Will post info on web site.

**Old Business:**

CTC – Will post sign-up list for those who will be working 4 and 8 hours so we can get a head start on this. We are the largest club associated with CTC. John explained what we will be doing Saturday through the following Sunday.

New Rules – Vehicles newer than 1985 not getting in. Host car volunteers can register regardless.

Respectfully Submitted: Brenda Brushaber

**MINUTES OF REGULAR MEETING – July 11, 2011** – Meeting called to order at 6:30 PM – special prayer for Carey Lee; minutes of June 6<sup>th</sup> meeting read and approved.

**Treasurer's Report** – Last month's balance \$10,985.63; had income of \$456.19 from dues, 50/50, Cruise-in, etc. Expenses for the month came to \$246.06 for office expenses, web site fee, etc. Balance at the end of June 2011 is \$11,195.76. We still don't have check from O'Reilly's. Motion made and seconded to approve; Motion carried.

**Old Business:**

Question as to when the Club plans to give check to Honor Flight. We want to have news media to get picture and do a write-up; will try to find out who's available and make arrangements.

Need to get business cards from our car show sponsors and deliver to Don Riddle to put on web site.

Group Outing: Appreciated all those who participated in the lot clean-up. John talked to Doug and discussed maybe re-organizing way we set things up. Hog Heaven catered the food and gave us a good deal; had plenty left over and gave some to Our Daily Bread. John took meat home and vacuum sealed; put in freezer and will use at our CTC get together.

CTC – meeting Wednesday; if not on list to work, see John after meeting. 52 have signed up to work 8 hrs and 11 signed up for 4 hrs. You can volunteer without getting a shirt. Do not know our exact schedule yet. We may have others to help; would like to have another group do Gulfport parking. D'Iberville is out this year because of all construction work going on. Next month we will probably be able to put the dates and times we can work.

No information on the Poker Run held June 25<sup>th</sup>; no response that we know of.

The MP3 player for our music has been ordered; should be here in week or two.

Dash plaques still available from Live Oak car show downtown Pascagoula.

Nothing has been said about CTC traffic situation; suggest they have alternate nights and close off one night such as Pass Christian. Hopefully, they will improve the situation this year.

**New Business:**

Zonta wants our Club to support them again this year on October 1<sup>st</sup>. Members unanimously approved.

Check with Houston for picture of Cruise-in car of the month.

Biloxi lot probably needs cleaning in near future. Will keep checking and let members know if we need to do anything.

Mrs. Creel, guest speaker from Southern Care Hospice, gave an informative talk on what they do and what's available and how they try to educate people on Hospice. She plans activities for the different facilities, such as Riverchase and SunPlex, and others in our area and would like to have us bring our cars to one of these facilities once a month. The Residents would love to go out and look at the cars and visit. She is looking at having a big event at the new Biloxi Armed Forces Retirement Center and maybe do hamburgers, hot dogs, etc. Members voted unanimously to support this endeavor. Will do some planning before our next meeting as to recommended places, times, any ideas, etc. She will get list for us.

Danny Smith has hospital bed if anyone needs it; will have Don put will on web site.

Discussion on purchasing a 2<sup>nd</sup> microphone; Members approved purchasing a wireless, priced at \$299, lapel type preferred, but John would try both types. Entire cost around \$400.

Christmas on the Water the first week-end of December; City of Moss point would like for us to bring our cars. Members approved supporting this event.

Presley's Outing wants to know if we would be interested in doing another day at Presley's; bring our cars, free admission and a designated place to park. After much discussion, members agreed to do this on July 30<sup>th</sup>. We will have a picnic/cookout with the Club furnishing the hamburgers, hot dogs, buns, etc. and the members bringing the fill-ins such as baked beans, potato salad, desserts, etc. Will put a list on web site to sign up for what you plan to bring. Will call those without e-mail. For those of us who want to, we will meet at Cracker Barrel at 9:30 Saturday morning July 30<sup>th</sup> and travel together to Presley's.

Vivian inquired whether the members might want to assist the tornado victims in our State; money could go to a City in need or wherever we know it would be best utilized. Will check it out and report at next meeting.

Meeting adjourned 7:50 PM

### For the Ladies

## 5 MINUTE CHOCOLATE MUG CAKE

This is soooo.....dangerous! Can't wait to try!

4 Tablespoons flour	2 Tablespoons Coco
4 Tablespoons Sugar	1 egg beaten
3 Tablespoons Milk	3 Tablespoons oil
3 Tablespoons chocolate Chips (Optional)	A small splash of vanilla extract
1 Large coffee mug (Microwave Safe)	

Add dry ingredients to mug, and mix well. Add the egg and mix thoroughly.

Pour in the milk and oil and mix well...

Add the chocolate chips (if using) and vanilla extract, and mix again.

Put your mug in the microwave and cook for 3 minutes at 1000 watts.

The cake will rise over the top of the mug, but don't be alarmed!

Allow to cool a little, and tip out onto a plate if desired.

EAT! (this can serve 2 if you want to feel slightly more virtuous)...

And why is this most dangerous cake recipe in the world?

Because now we are all only 5 minutes away from chocolate cake at any time of the day or night
