At our last meeting held March 7, 2016, President Bobby Hand reminded everyone to get their dues in by **March 31, 2016**. A few have not paid yet and we are hoping they will renew their membership.

The Beach Park is reserved for our car show on **May 21st**. The show will be advertised in Motor Sports Magazine March, April and May additions. It is time for us to get busy securing sponsorships and door prizes. Betty Carter has sponsorship forms available. She is also going to make a list of last years donors that you can see if you don't remember who you contacted last year. Just let her know how many letters you need. We also need everyone to make every effort possible to help with the show. It takes all of us to put on a good show! If weather permits let's do our best to have an awesome show. We need everyone's input also at the next meeting. Only two meetings before the show.

Member Judy Griffin has volunteered to be in charge of the Silent Auction. She has past experience but will need us to help come up with some items to be auctioned. It is my opinion that she is a wonderful lady. Go Judy!

Our first cruise-in will be March 26th at the Ingalls Engineering Complex (same location as usual). Bobby asked that we get the word out that Ingalls allows **NO Burnouts** and **NO Alcoholic Beverages**. If you encounter someone drinking please mention it to one of the Board members or Bobby and let them handle the situation.

Don Riddle has retired and is on vacation and no web site info is available. He will get back to it when he returns. Congratulations Don!

The World of Wheels was held in New Orleans a few weekends back and our club was proudly represented. Mark Toomer took "Sweetness" and she took Best of Class. Rusty Seaman did it again with his gorgeous green Nova taking Best of Class. Impressive guys!

Lots and lots of upcoming events so let's get those beautiful cars out there and enjoy.

Respectfully submitted; Carol Cuevas, Membership
