***NEWSLETTER***  
***October, 2010***

***NEXT REGULAR MONTHLY MEETING***

**November 1, 2010**

At  
Jackson County Chamber of Commerce in Pascagoula

**MEETING TIME - 6:30 PM**

***DON'T FORGET – MONTHLY CRUISE-IN October 23' 6:00 – 9:00 PM Northrop Grumman Engineering Complex, Hwy 90, and Pascagoula. This will be our last Cruise-in for this year. We will begin again in 2011 and will let you know the date. Hope to see you before then at one of our Monthly Meetings or a local show or two.***

## **CRUISIN THE COAST:**

Well, if you didn't get to CTC you missed a great week. The weather couldn't have been better and the cars were fabulous. There were over 4800 cars registered and probably another 1000 not registered. Just a great week.

The following is an e-mail sent by Don Riddle to Mr. Staehling of Cruisin' the Coast which is interesting. Maybe more of us need to send an e-mail to them to make a suggestion for a way to allow for more cruisin' room.

**Mr. Staehling,**

**I live in Gautier, and am the webmaster for the Magnolia Classic Cruisers Car Club located in Pascagoula. As we do every year, we participated in this year's cruisin the coast, had a tent on the corner of Veterans and Hwy 90, and our club members donated hundreds of hours to assist in making cruisin the coast as successful as possible.**

**The one complaint that I have heard from everyone is the traffic situation on Friday and Saturday Night. As I am sure you are aware, it was a nightmare to say the least, and 95 percent of the cars cruising up and down hwy 90 were not classics. The classic car owners parked their cars, because they did not want to subject them to the punishment of such miserable traffic conditions.**

**So all of the hundreds of folks on each side of the road had the privilege of watching cars they can see every day in a Wal-Mart parking lot. What a disappointment.**

**Folks bringing their cars from every state in the country also bring lots of money to boost our local economy. I am sure we have the talent and resources to solve this problem for next year, or folks are going to stop making the trip to our beautiful coast each year.**

**My suggestion is to close hwy 90 or a portion of it from at least from 6pm to 9pm, allowing only registered cruisers from the lighthouse to maybe, the Edgewater mall. This would give the hundreds of folks along hwy 90 the opportunity to see what they came for.....classic cars.**

**As I said earlier, I know we have the talent and resources to correct this unfortunate situation and make it a more enjoyable experience for everyone.**

**Thank You.**

**Donald S Riddle  
Gautier, Ms**

**E-mail Mr. Staehling at ['dstaehling@biloxi.ms.us'](mailto:dstaehling@biloxi.ms.us)**

The lot the club had been working on at corner of Veterans and Beach Blvd in Biloxi turned out to be a nice place to meet and watch all the cars cruising the beach. Had a lot of club members show up. There was lots of food, and just good car club fellowship.

## October Meeting 10/11/2010 Minutes:

Bobby welcomed everyone to the meeting and recognized any members that were in attendance. Our newest member, Ken Turnee was present. John Ciesinesky, Larry Rowell and Mary Rowell who joined earlier this year were also in attendance. They all reside in Knoxville, Tn but are from this area and we were glad to have them down for CTC and hope they come back soon .

Minutes of the September Meeting were read by Kala Farris. Motion was made to accept the minutes as read, motion was second and carried.

Bobby presented the Treasurer's report in Carol Cuevas' absence. Motion was made to accept the Treasurer's report, motion was second and carried.

Bobby mentioned we had lost another member, Joy Tillman, wife of Henry Tillman passed away 10/10/10. We know she will be missed by many. In lieu of flowers, the club will make a donation to the American Cancer Society in her name.

Bobby had windshield decals made for all members cars. If you have not received yours, please let him know. This is just a way of letting people know you are member of Magnolia Classic Cruisers.

I won't print all the minutes here because it mostly about discussion on Cruisin' The Coast and then getting on with the Nominations for Officers and counting of votes.

Nominations were made at the October Meeting for new officers for 2011. After nominations were made Bobby asked each nominee if he or she would accept the nomination. The following offices were filled due to nominees declining the nomination. The only position where there will be a run off will be for Sgt. At Arms. This will be between Jimmy Spicer and Danny Smith.

With the exception of Sgt. At Arms, the 2011 Officers will be:

<b>President</b>	<b>John Devera</b>	<b>Historian</b>	<b>Claudette Spicer</b>
<b>Vice President</b>	<b>Nelson Copeland</b>	<b>Webmaster</b>	<b>Don Riddle</b>
<b>Treasurer</b>	<b>Carol Cuevas</b>		
<b>Secretary</b>	<b>Brenda Brushaber</b>		

At the November meeting, 11/1/10 we will vote for Sgt. At Arms and then there will be a nomination and election for Board Members the same night. So if you wish to be a board member please let someone know so you can be nominated. Please attend this important meeting to help select your Board for 2011. Remember if you don't show up and you don't vote you should have no complaints.

**Upcoming Events:** Usually this time of the year events begins to slow down but we do have a few for the remainder of October, as well as November and December coming up.

**October 23, 2010** - Our club's last Cruise-In for the year - Northrop Grumman Engineering Complex (Old K-Mart) Parking Lot. 6:30 – 9:00 hope to see everyone there.
